July 5, 2023

Study Number: 01872

Study Title: *Navigating Sleep: Perceptions of Graduate Health Professions Students*

EXEMPTION DETERMINATION DATE: July 3, 2023

The above-referenced protocol has been reviewed in accordance with the US Department of Health & Human Services (DHHS), Office for Human Research Protections (OHRP) regulations, specifically 45 CFR 46.104 and UIndy Policy. Based on these criteria, your study has been registered as Exempt.

As an exempt study, there is no requirement for continuing review. However, you and your research team are not exempt from ethical research practices and should therefore employ all protections for your participants and their data.

This exemption is valid unless changes in the project may impact the eligibility for exemption under the federal regulations and UIndy Policy. If you need to make any changes to the study, please contact the HRPP office hrpp@uindy.edu for guidance on whether additional review is required.

Please submit all personnel changes through IRBManager as a Modification of Approved Protocol.

Any adverse events or unanticipated problems relating to the research must be promptly reported to the HRPP office.
