

Stephanie Schifferdecker, PT, DPT, NCS graduated from the University of Kansas Medical Center with her Clinical Doctorate in Physical Therapy in 2012. Since that time she has served as an inpatient therapist in the ICU, progressive care floors, and in the inpatient rehabilitation setting for more than 10 years. Stephanie recently became recognized as a Board Certified Clinical Specialist in Neurologic Physical Therapy. She is excited to begin serving on the APTA KS Board of Directors.
