

# Recruiting **Physical Therapists** to take part in a Research Study

We need **your** input to examine how physical therapists address patient adherence to Home Exercise Programs!

## **Eligibility:**

You must be a licensed physical therapist, **actively** treating patients within the United States.

## **What's Involved?**

- A questionnaire that takes approximately 10-15 mins to complete.
- A 45–60-minute, audio-recorded interview via Zoom.

## **What are the Benefits?**

Contribute to our understanding of how PTs increase adherence to Home Exercise Programs.
