

**Tommy Van Towle, PT, MBA**

I graduated with my DPT in 2012 from the University of Kansas Health System and MBA from St. Mary's in 2015. I have worked at the University of Kansas Health System for the past 11 years. I spent the first 5 years of my career in the Acute Care and Inpatient Rehabilitation setting. In 2017, I was promoted to an Acute Rehabilitation Supervisor. In 2019, I was promoted to Outpatient Rehabilitation manager.

I began serving on the APTA Kansas Board of Directors in 2012 as the Membership Chair. I have also served as KPTA Student SIG Mentor, Nomination Committee Member, and Treasurer.

I was honored to receive the 2015 APTA Emerging Leader Award. In 2016, I received the University of Kansas Health System for Excellence in Rehabilitative Care. In 2023, I was selected as the recipient for the Early Career Achievement in Health Professions Alumnus from the University of Kansas Medical Center.

I am Married to my high school sweetheart, Kelley Van Towle, and we have two children, Charlie (7), and Andie (4). We love to go on fishing trips and enjoy the outdoors together.
