**Please provide candidate statement:**

I am interested in serving as the Secretary for APTA Kansas because I am passionate about being part of an organization whose mission is to give to its members. I possess skills that make me a strong candidate: I am organized and have a desire to ensure excellence through accuracy. If elected as Secretary, I will work earnestly to keep the leaders and members of APTA Kansas informed.

**Please provide brief bio:**

Although I have been a member of APTA and the Kansas chapter for a few years, it wasn't until last year that I began a deeper involvement when I was elected as the Centennial Scholar for the Kansas chapter. Through this program I grew in my leadership skills and in my knowledge of how chapter business is run. A recent graduate from the DPT program at the University of Kansas Medical Center (KUMC), I am gaining invaluable experience in acute care, inpatient rehabilitation, and telehealth settings. I am most passionate about teaching and am currently serving as preceptor at JaySTART, a pro bono teaching clinic through KUMC.
