

Scott Kramer, PT, DPT

Candidate statement:

In my career, I have always strived to challenge myself and look for opportunities of growth and education within the physical therapy profession. I am looking forward to the opportunity to work within our KPTA chapter and continue to challenge not only myself, but others around me in their ongoing professional endeavors.

Biography:

Scott is a graduate of KUMC's Physical Therapy program and now works as an acute therapist at the University of Kansas Health System. He recently received his oncology certification through the ABPTS in 2019 and currently specializes with acute leukemia and bone marrow transplant patients. Scott has assisted with KUMC's PT admissions program, guest lectures for KUMC 's PT program and presents for a not for profit BMT organization called BMTinfontet for the past 4 years.
