Nominator APTA Member ID Number: _____ 41172 _____

Nominator Email Address: _____ snydercamille1@gmail.com _____

I am nominating _____ Lisa Vargo Racz _____ for the position of _____ Treasurer _____.

Nominee APTA Member ID Number: _____ 507722 _____

Please provide candidate statement:

I am interested in moving into the position of treasurer for APTA KS as I have been involved as the Standards and Practice chair for the past 2 ½ years. I have really enjoyed my involvement in the professional organization and with my personal enjoyment of finances and budgeting, I know I will display a passion for the new role. I am very conscientious about the value of anything I personally spend my money on until I have done adequate research and will bring that mindset to the role to keep APTA KS continuing to be a trusted partner of professional growth for our constituents.

Please provide brief bio: I have been licensed as a Physical Therapist in the state of Kansas since 2016. Before that, I was licensed in Ohio after graduation with my PT degree in 2006. I currently work in an outpatient orthopedic setting in Olathe and have been in that role for 5 years. Prior roles included acute care and skilled nursing settings. I am also on staff as an adjunct professor at the University of St. Mary teaching pharmacology for my 2nd year. Another role I also enjoyed prior to moving to Kansas. I enjoy numbers and budgeting after finding out just how much it allows me to see the stability my future holds. My mother holds an accounting degree and has been very instrumental in helping me grow my love for all that Excel spreadsheets can do! I wish to be useful to others in my life in whatever capacity my relationships allow.
