

Christina Wisdom, PT, DPT
Board Certified Specialist in Orthopaedic Physical Therapy
Certified Lymphedema Specialist

Statement

The American Physical Therapy Association and APTA Kansas have been consistent and passionate elements of my career. Optimizing movement and improving our profession have been constant personal goals. Looking forward, I would be honored to continue to advance physical therapy in Kansas as President of APTA Kansas. We have had great leaders propel physical therapy in Kansas, and I believe my collaborative and analytical nature can help advance the organization. The past year has been challenging for many of our PT colleagues and patients. I hope to listen intently and partner with others to find innovative ways to continue to help physical therapy thrive in these uncertain times. Continuing to engage physical therapists and physical therapist assistants, advocate for our patients and profession, educate legislators and society, partner with others, and actively involve students and new professionals are imperative. I seek to create an inclusive environment that can continue to propel the strategic plan and vision of APTA Kansas forward. I have been actively involved in APTA Kansas since I became a PT in 2006 and have had roles as Public Relations & Marketing Chair, Leadership Development Co-Chair, Bylaws Chair, Delegate, and on the Board of Directors. I am willing and ready to help advance our profession, and I would be grateful for your support.

Biography

Christina Wisdom PT, DPT, has been an active member of APTA Kansas since 2006. Most recently, Dr. Wisdom has acted as Bylaws Chair, was on the Board of Directors, and was a Delegate. She also belongs to the Academy of Physical Therapy Education, Academy of Orthopaedic Physical Therapy, Academy of Pelvic Health, and Academy of Physical Therapy Research of the APTA. Nationally, Dr. Wisdom was part of the APTA Leadership Development Committee/Task Force and helped advance leadership development in physical therapy.

Dr. Wisdom is an Associate Professor of Physical Therapy at Rockhurst University in Kansas City, where she has led multiple committees. She is Board Certified in Orthopaedic Physical Therapy by the American Board of Physical Therapy Specialties and a Certified Lymphedema Therapist. She obtained a Certificate in Leadership Development from the LAMP program in the Section on Health Policy and Administration in 2013. Clinically, Dr. Wisdom practices at an outpatient orthopedic and pelvic health physical therapy practice in Kansas City. She is also currently completing a Doctor of Education degree in Leadership in Higher Education.
