

## Reimbursement Chair Description

The APTA is seeking a work comp liaison from each state. Any other practice settings would also be appreciated! I work in private practice. Hospital based acute or OP, Inpatient Rehab, home health, schools etc. A lot of work will be required this summer for the upcoming 2015 Insurer's Forum in Topeka. Any help with this would be greatly appreciated! Contact [aimee.riegel@ptkansas.com](mailto:aimee.riegel@ptkansas.com).
