

### **Michelle Fichtner, MSPT, ATC, Board-Certified Orthopedic Clinical Specialist**

Michelle Fichtner is a dedicated and experienced physical therapist with a strong background in orthopedics and sports medicine. Originally from Southwest Missouri, she earned her Bachelor of Science in Biology with a minor in Athletic Training from Missouri Southern State University. She went on to complete her Master of Science in Physical Therapy at the University of Kansas Medical Center in Kansas City, Kansas, in 1993.

Michelle began her career at Freeman Health System in 1993, where she served for 24 years in the Outpatient Physical Therapy and Sports Medicine Clinic. In 2017, she relocated to Kansas City, Kansas, and joined The University of Kansas Health System. She currently practices at the Outpatient Spine Center, where she specializes in treating a wide range of orthopedic conditions.

In 2018, Michelle achieved board certification as a Clinical Specialist in Orthopedic Physical Therapy, reflecting her commitment to clinical excellence and continued professional development. She has been an active member of the American Physical Therapy Association Kansas Chapter (APTA KS) since 2017 and serves on the Research Committee.

Outside of her professional life, Michelle enjoys spending time outdoors, particularly golfing and hiking with her husband and visiting their children and two grandchildren.
